Official Tournament Team Emblems, made available by PONY Headquarters, are required for ALL tournament players, manager, coaches and business managers who go onto the playing field including bench and dugout areas.

PONY Baseball and Softball is proud to announce the formation of a new league, the Champions League. The newest league in the PONY family is for children with special needs. It was unanimously adopted at the PONY Baseball and Softball International Board of Directors on October 13, 2009.

While many of our leagues have had some type of Champions League for years, PONY has officially organized this opportunity for children with special needs. PONY has developed and finalized plans for the language and procedures necessary to create these leagues on an international level. **Protect Our Nation's Youth** represents all children and young adults regardless of ability.

REGISTRATION -Registration for the Champions League can only be done on-line at www.pony.org. Click on the registration tab and follow the registration instructions. If you need assistance, please call PONY at 724-225-1060.

REGISTRATION COST -The cost of registering your Champions League is \$50.00 per league, regardless of how many teams are in the league. We wanted to keep the cost to a minimum.

WHAT CAN YOU DO TO HELP? -PONY is developing a long range plan for the language and procedures necessary to sustain the Champions League on an international level but we need your help. Does your community have a Champions League already? If so help us enhance the rules and guidelines by forwarding your information to info@pony.org. **Protect Our Nation's Youth** represents all children and young adults regardless of ability.

For more information on the Champions League contact your local PONY Field Director or contact PONY Internationals Headquarters at 724.225.1060 (M-F 8AM-5PM EST) or by email at info@pony.org.

PONY Baseball, Inc.

The Line Up

PONY Baseball is the administrative organization for a group of leagues providing baseball for players from 4 through 19 years of age. These are:

League	Age	Diamond	Pitching
Shetland	6 and under	50 feet	—
Pinto	7 and 8	50 feet	38 feet
Mustang	9 and 10	60 feet	44 feet
Bronco	11 and 12	70 feet	48 feet
Pony	13 and 14	80 feet	54 feet
Colt	15 and 16	90 feet	60 1/2 feet
Palomino	17, 18 and 19	90 feet	60 1/2 feet

SHETLAND LEAGUE focuses totally on instruction of beginning players. Batting tee recommended.

PINTO LEAGUE teaches the basic fundamentals of baseball. Coach-pitch recommended.

MUSTANG LEAGUE begins the players' training in the complete game of baseball. Tournament play is completed through World Series level.

BRONCO LEAGUE and **PONY LEAGUE** take the developing young players into the full game of baseball, with no restrictions on base stealing, and tournament play complete through World Series level.

COLT and **PALOMINO LEAGUES** provide players an opportunity to compete against their peers in regulation baseball through the World Series level.

GIRLS SOFTBALL leagues are also operated by PONY Baseball based on the every two year and-under age concept. Copies of the PONY GIRLS SOFTBALL rule book may be obtained from PONY Baseball.

ADMINISTRATION

Volunteer Field Directors gather input from local league organizations for the Board of Directors and staff, and relay information based on such input back to the leagues. The Field Directors also serve as administrative and service agents to the leagues.

Flexibility is a key word in PONY Baseball philosophy, which provides a pattern of league operation that may be adapted to the needs of the community, rather than asking the community to adapt to an arbitrary set of rules and regulations.

League Age is that age attained by a player prior to May 1 of the current year, and determines the player's legality for a particular league.

League boundaries are established by the league, but are subject to the approval of the Division Director.

Membership application forms are filled out annually by each league and forwarded to PONY Baseball. The forms are processed at the headquarters and copies distributed to the Field Directors. A Membership Certificate is issued by the Division Director following the Director's approval of league operating conditions.

League supplies, including rule books, supply catalog and other items, are mailed to each league upon receipt of the Membership Application at PONY Baseball.

Equipment: Conventional baseball uniforms are recommended in **SHETLAND, PINTO and MUSTANG** leagues. They are required in all other leagues. Protective headgear for batters, base runners, on deck batters, player coaches and catchers is required. Regulation size home plate, pitching plate and bases are recommended for all leagues. An official ball, bearing an emblem of PONY BASEBALL, is required in league and tournament play.

VICE PRESIDENTS

For purposes of administration and tournament elimination, PONY Baseball divides the contiguous United States into four zones, North, East, South and West. The volunteer force of Field Directors at the Division, Region, Section, District and Area are headed by a Vice President in each zone. There is also an Asia-Pacific Zone.

DISCIPLINARY ACTION

The following may be adopted by the league as a guide for the handling of player or adult discipline problems.

- A. The league officers shall have the authority to suspend, discharge or otherwise discipline any player, manager, coach, umpire, league officer or other person whose conduct is in violation of the Rules and Regulations of PONY Baseball and/or is considered detrimental to the best interests of the league.
 - (1) Persons subject to such discipline shall have the right to a hearing before the league officers before such discipline is imposed.
 - (2) In the event of such a hearing involving a player, or other person under the age of 18, that person's parents shall be invited to attend.
- B. Persons, youth or adult, who refuse to comply with the rules of Baseball, PONY Baseball, or the League, may be considered for disciplinary action.
- C. Recognizing the difficulty of establishing specific penalties for a variety of violations of acceptable conduct, the following penalties are suggested. League officers may impose the one which, in their opinion, appears to match the severity of the offense.
 - (1) **Warning.** The offending person is to be advised, in writing, of the offense, and further advised that repetition of the offense shall result in a more severe penalty.
 - (2) **Suspension.** The offending person is to be advised in writing that he or she has been suspended from all league activity for a specific number of games, or days
 - (3) **Dismissal.** The offending person is to be advised in writing that he or she has been dismissed from the league for the remainder of the current year.
 - (4) **Barred.** The offending person is to be advised in writing that he or she has been barred from present and future participation in the league, permanently, or for a specific number of years.

PONY Baseball, Inc. Rules and Regulations

This book does not contain a complete set of rules governing play in Shetland, Pinto, Mustang, Bronco, Pony, Colt and Palomino League. Play is governed by *Official Rules of Major League Baseball*. This book contains only those exceptions to Official Baseball Rules which are necessary in a youth program, as well as regulations governing league organization and administration.

RULES and REGULATIONS for SHETLAND, PINTO, MUSTANG, BRONCO, PONY, COLT, and PALOMINO LEAGUES

(Each rule is applicable to Shetland, Pinto, Mustang, Bronco, Pony, Colt, and Palomino Leagues unless specifically noted otherwise.)

1 - THE LEAGUE

- A. PONY Baseball does not limit participants in its leagues on the basis of disability. All leagues are required to comply with this policy and failure to do so shall be grounds for revocation of or refusal to renew a league's annual membership. Any questions on this rule shall be referred to PONY Baseball Headquarters.
- B. A request for reasonable modification to PONY (Baseball/Softball) Rules by an individual with a disability, or their representative, shall be accepted by any employee of PONY Headquarters and any PONY official with responsibility for organizing or supervising PONY games. PONY shall allow such a modification unless the modification would fundamentally alter an essential aspect of PONY's (Baseball/Softball) program. If an official believes that a proposed modification would fundamentally alter an essential aspect of PONY's (Baseball/Softball) program, the official should consult the PONY ADA Coordinator. The ADA Coordinator will, after an appropriate individualized inquiry that includes consideration of the player's specific circumstances and the purpose of the rule, policy, or practice at issue, decide whether to allow the modification. Written notice shall be provided to the requestor of the modification within four (4) business days of the request. Although PONY will respond appropriately and in a reasonable amount of time to a request for reasonable modification regardless of when it is received, it is highly recommended that players and their families provide notice of such a request in league registration materials prior to the start of the season and in tournament registration materials prior to the start of a tournament.
- C. PONY (Baseball/Softball) Rules do not limit players' rights to sign language interpreters, or other auxiliary aids, during regular season and tournament games. Rules limiting persons allowed in team dugouts shall not apply to sign language interpreters. In situations where PONY's (Baseball/Softball) Rules allow coaches to be in areas other than the dugout, a sign language interpreter shall be allowed to accompany coaches in order to provide communication to a player. Any concerns with the selection of sign language interpreters or the location of such interpreters during games shall be addressed to the PONY ADA Coordinator. Although PONY will respond appropriately and in a reasonable amount of time to a request for a qualified sign language interpreter or other auxiliary aid regardless of when it is received, it is highly recommended that players and their families provide notice of such a request in league registration materials prior to the start of the season and in tournament registration materials prior to the start of a tournament.

- D. PONY is a non-discriminatory organization, which prohibits actions against an individual or league on the basis of race, sex, creed, religion or national origin.
- E. Leagues shall be composed of any number of teams.
- F. The league shall apply annually prior to May 1 (June 1 for Colt, Colt/ Palomino and Palomino) or prior to playing first league game whichever comes first for a "Membership Certificate" to avoid a late fee.
- G. The Membership Certificate shall be issued annually to each league, by the Division Director, subject to the following conditions:
 - (1) The Division Director shall have the authority to withdraw or refuse membership for just cause, and shall give written notice to the presiding officers of the league, as indicated by the current Membership Application form on file. The league has the right to appeal such action to the Vice President in that Zone.
 - (2) The Membership Certificate does not imply that in future seasons a new league cannot make application for operation within a portion of the present boundaries of the league, but only that no other league shall be permitted to operate within the boundaries established for the current season.
 - (3) The Membership Certificate expires at the conclusion of the actual play of the season for which it has been granted and is subject to renewal upon application and re-examination the following year.

2 - INSURANCE

- A. Accidents and injuries can occur while participating in baseball games. To protect our members, all leagues and teams must purchase accident insurance coverage and show proof by registration for the players, managers, coaches, official scorekeepers and volunteer umpires in their league with a policy provided by the league. Such coverage is available through PONY Baseball, Inc.
- B. All affiliated leagues and teams must purchase league liability insurance with minimum limits of one million dollars, on an occurrence policy basis, and naming PONY Baseball, Inc. as an additional insured. The liability policy must also include participant legal liability coverage of one million dollars. Such coverage is available through PONY Baseball, Inc.

3 - TEAMS

- A. **SHETLAND, PINTO, MUSTANG, BRONCO, PONY, COLT** Teams shall consist of not more than 15, nor less than 12 players and should not exceed more than eight players of the older age. The names of these players shall be registered with the league player agent.
PALOMINO teams shall consist of not more than 18, nor less than 12 players and shall not exceed more than 3 players of age 19.
- B. Age, for the league purposes, means "league age," which is that age attained by a player prior to May 1 of the season in question.

4 - LEGAL PLAYERS

- A. The League has an option to use the Traditional or the AND UNDER in each age group. The decision to use the Traditional or AND UNDER program is strictly a League decision.
- B. If the League does decide to use the AND UNDER program a player can only move up one age group. (EXAMPLE) A Bronco age player 11 or 12 years old will only be allowed to move up to the Pony age.

- C. Players playing up must abide by the pitching rules of that age group.

- (2) Routine use of gloves or other precautions to prevent skin and mucous membrane exposure when contact with blood or other body fluids is anticipated.
- (3) Immediately wash hands and other skin surfaces if contaminated (in contact) with blood or other body fluids. Wash hands immediately after removing gloves.
- (4) Clean all contaminated surfaces and equipment with an appropriate disinfectant before competition resumes.
- (5) Practice proper disposal procedures to prevent injuries caused by needles, scalpels and other sharp instruments or devices.
- (6) Although saliva has not been implicated in HIV transmission, to minimize the need for emergency mouth-to-mouth resuscitation, mouthpieces, resuscitation bags, or other ventilation devices should be available for use.
- (7) Athletic trainers/coaches with bleeding or oozing skin conditions should refrain from all direct athletic care until the condition resolves.

The ten run rule does not apply for **SHETLAND League**.

- E. National officers of PONY Baseball, Inc., field directors, tournament chairmen and tournament directors shall not be permitted to umpire in a tournament game.

T-14 - TOURNAMENT DECISIONS COMMITTEE

- A. The Tournament Director shall appoint a decisions committee of at least three persons, one of whom shall be the Tournament Director. All members of the decisions committee shall be in attendance throughout the game or games concerned.
- B. This committee shall accept any protest of an umpire's decision, other than those based on an umpire's judgment. It shall immediately consider the protest in conference with the umpires and managers and then render a decision before play is resumed. Such decisions shall be arrived at by the members of the committee only, based upon information received from the umpires and managers, and the committee's own observation of the play or situation in question.
- C. Decisions of the decisions committee are final and are not subject to appeal.

- D. If a decisions committee has not been appointed, an appeal shall be directed to the Tournament Director or their representative, whose decision shall be final.
- E. Managers shall agree on a decisions committee if none is appointed and the Tournament Director or their appointed representative is not present. Should they fail to do so, the decision of the umpire-in-chief shall be final.

T-15 - TOURNAMENT DIRECTION

 - (1) An illegal player is one not qualified to be a member of the team because of failure to meet the requirements of participation, residence or age.
 - (2) Illegal players shall not be replaced on the team roster.
 - (3) When the illegal status of a player is not established until after a game has started, or has been completed, the player and manager shall be removed at that time, but the game, or any portion of the game played up to that point, shall stand as played.
 - (4) For interpretation of this rule, the penalty shall be assessed against the person in charge, (manager, coach or business manager) when an illegal player is used.
 - (5) A manager (coach or business manager) removed under this rule may not be replaced on the team roster.
Should the manager, coach and business manager all be eliminated under this rule, the team shall be removed from tournament competition at that point, and current bracketing adjusted by the tournament director.
- D. It is basis for protest when the business manager, coach or manager of a tournament team fails to present the eligibility affidavit, birth certification documents, medical release forms and evidence of accident insurance at least one hour before scheduled game time when requested to do so by the Tournament Director or their representative.

PALOMINO LEAGUE: Player contracts are also required.

- E. Penalty for use of an ineligible player shall be the immediate removal of both the player and the manager from the game and continued ineligibility for the next scheduled tournament game played by that team. If such ineligibility carries over from one level of tournament play to the next, the tournament director concerned shall notify the tournament director at the next level of play.
- F. Penalty for use of illegal equipment shall be removal of such equipment from the game.
- G. The manager, coach and business manager with a tournament team are considered representatives of the league which the team represents. Seriously inappropriate conduct on the part of these adult leaders, on or off the playing field, may result in penalties assessed against the league. Such penalties, to be imposed by the Zone Vice-Presidents following consultation with headquarters, may involve rejection of the league's application for membership in PONY Baseball the following year, or acceptance of the membership application on a probationary status.
- H. Grievous individual misconduct, on the part of adult leaders or players, on or off the field, such as, but not limited to, fighting, drinking, publicly audible use of foul or abusive language, may result in the removal of an individual from further tournament play for the remainder of the tournament season. Adult leaders and players removed under this section shall not be replaced on the tournament roster.
- I. The use of artificial noisemakers is prohibited.

- F. Participating teams which choose not to accept housing and/or meals provided by the sponsoring organization shall reside and eat elsewhere at their own expense, and shall be responsible for their own local transportation.

- BEHAVIOR -

Tournament play is exciting. Disputes will arise. Tempers may flare. The example set by managers and coaches will be reflected by the players and coaches. As adults guiding, setting an example for young people, make it a good example. Violent displays of temper will not only give the program a bad name, but may cost the league fan and financial support in future years.

NOTES TO TOURNAMENT TEAM MANAGING PERSONNEL:

— DECISIONS COMMITTEE —

SINCE TIME AND DISTANCE ARE A FACTOR IN TOURNAMENT PLAY, THE BOARD OF DIRECTORS OF PONY BASEBALL HAS RULED THAT TOURNAMENT PROTESTS SHALL BE DECIDED ON THE SPOT — THAT NO APPEAL OF RULINGS MADE BY THE DECISIONS COMMITTEE IS TO BE ACCEPTED. THE DECISION COMMITTEE IS THE FINAL ARBITRATOR.

Managers are urged not to begin play in any tournament game until a Decisions Committee has been appointed and its members made known to them.

If, for any reason, a Decisions Committee is not present, and the Tournament Director is not present, and has not designated anyone to serve as a representative of the Tournament Director, the competing managers shall agree upon a Decisions Committee before play begins.

If a Tournament Director is not present and a Decisions Committee is not appointed, the decision of the umpire-in-chief shall be final.
